**ACS SOCIETY COMMITTEE ON EDUCATION  
SOCED**

The mission of the Society Committee on Education (SOCED) is to support the development and implementation of programs that bring the wonder, excitement, opportunities and challenges of modern chemical science to students of all ages, in order to (1) improve science literacy and, in particular, heighten the interest of students in chemistry; (2) recruit students into the chemical sciences and retain them as contributors; and (3) strengthen the science education infrastructure to meet the changing needs of the science community.
